

## Declaration Form for Scrap Metal Recycling Facility

PGAIR Woodstove Exchange Program

Woodstove Exchange Application Tracking Number: \_\_\_\_\_

### Note to Attendant:

The resident dropping off this stove is a participant of the Provincial Woodstove Exchange Program. The goal of this Program is to reduce air pollution by exchanging old, smoky wood burning appliances for new low-emissions appliances. The entire Program rests on the premise that the old stove will never be sold or used again. Please read and sign the Declaration below to verify that this requirement has been met. For more information, visit the BC Air Quality website: <http://www.bcairquality.ca/topics/wood-stove-exchange-program/>

### Declaration (to be completed by Metal Recycling Facility Attendant):

I understand the goals of the provincial Woodstove Exchange Program and I declare that this stove will be crushed or otherwise destroyed before it leaves this facility, such that it cannot be used or sold again.
